TONGA RADIANT MEADOW BLOCK OF THE MONTH

Inspired by the vibrant yet soft colors of the prairie on a sunny day, Tonga Radiant Meadow is a rich collection of sky blues to shadowy navy, grass greens and soft sunshine yellows.

Tonga Radiant Meadow Block of the Month

The Radiant Meadow BOTM uses 11 specially selected fabrics that represent the colors of blue skies, sunny yellows and prairie greens. Traditional piecing techniques are used in making this 106" square quilt. The quilt was created from the center block that bursts with sunshine nested in the neutrals of the tall grasses. This twelve month program features eight 16" blocks, a 3-part 32" center section and a finishing month.

The Radiant Meadow quilt uses 17 1/4 yards of Tonga batiks. This twelve-part Block of the Month program divides the total cost of the quilt by 13. We suggest that you start with a sign-up fee followed by twelve equal payments coinciding with the customer's monthly distribution of fabric and pattern (sign-up fee plus 12 monthly charges equals 13 payments).

All block-of-the-month orders start with the bolt case pack, BOTM-13TON RADIANT, which contains one 15- yd bolt of each of the 11 styles, plus 2 extra bolts of TONGA-B6750 RADIANT border fabric. The case pack will make 7 complete BOTM quilts plus extra yardages for Boo-Boo bundles and more.
