TESTIMONIALS

“Our first traveling trunk show was with Slightly Biased Quilts! Jennifer was so easy to work with and made the process so easy! We didn't know what to expect with a trunk show but her kindness and flexibility made us feel comfortable. The quilts displayed beautifully in the shop and we sold tons of patterns! We wished Jennifer lived closer so she could come talk about her quilts in person.”

-Beth, Plain Janes & Co

“I have been working with Jennifer and Slightly Biased Quilts for several years. I recently arranged a trunk show with Jennifer and it was a huge success. She provided many colorful samples and patterns to make our event successful. I highly recommend Jennifer and Slightly Biased Quilts.”
